design Mauro Olivieri 2011

Collezione ispirata a forme, colori e texture dell'oceano. Permette infinite combinazioni grazie ai componenti rotanti, realizzati in vetro soffiato lucido. È disponibile in due misure, collocabili in posizioni diverse.

A collection inspired by the ocean life in its colours, shapes and textures. It allows infinite combinations thanks to the rotating components, made of glossy blown glass and available in two sizes, which can be arranged in different positions.
